

Join us for the Air Compliance Reporting Workshop on Jan. 6.

The Division of Compliance Assistance (DCA) and the Division for Air Quality (DAQ) are presenting an educational opportunity to offer guidance on annual compliance certifications (ACCs) and semiannual monitoring reports (SAMRs). Please see the agenda [here](#).

- The morning session of the workshop will consist of presentations designed to help attendees understand conditions detailed in the facility's permit, complete reporting forms and gain an understanding of calculations that may be required for reporting.
- The afternoon session is an open house that will allow attendees to sit down and talk one-on-one with DCA and DAQ staff regarding questions about permit reporting.

Attendees should...

- Review the ACC/SAMR self-paced learning modules available at dca.ky.gov.
- Bring a copy of their permit and any records pertaining to air reporting.

It is not required to attend both the morning and afternoon sessions. In order to ensure sufficient staffing, attendees will be asked to indicate a time preference for the open house.

ACC/SAMR Workshop

Wed., Jan. 6, 2016
Registration: 8 a.m.—8:30 a.m.
Class: 8:30 a.m.—4 p.m. EST

DEP Training Center
300 Fair Oaks Lane
Frankfort, KY 40601

Free Admission
