

Brownfield Redevelopment Program

Living Greener

Bankers' Workshop

Bankers, developers and development agency officials, this workshop is for you! The Kentucky Brownfield Redevelopment Program in conjunction with the Louisville Branch of the Federal Reserve Bank of Saint Louis, announces an [upcoming workshop](#) to create a better understanding of brownfields and the issues surrounding contaminated property redevelopment.

Increasingly, developers are recognizing the value of revitalizing brownfields—properties that are abandoned or underutilized due to real or perceived environmental contamination. This workshop will provide an introduction to brownfield redevelopment. See [agenda](#) topics.

The workshop is free, but you must register by Feb. 19, 2016. Continental breakfast and lunch will be provided.
