

LOUISVILLE WATER COMPANY
POSITION ANNOUNCEMENT

Louisville Water Company is accepting applications for a Supervisor-Inspector position. Applications will be accepted until Sept. 17, 2012. At a minimum, the applicant must possess a Bachelor's degree, preferably in engineering, construction management or a closely related field and five (5) years of construction inspection experience. Or the applicant may possess an Associate's degree, preferably in engineering, construction management or a closely related field and nine (9) years of construction inspection experience.

All applicants must hold a National Institution for Certification in Engineering Technologies (NICET) certification or a Professional Engineer (PE) license in Kentucky or the ability to obtain either within 18 months of being placed in the position; an Erosion Prevention and Sediment Control (EPSC) certification or the ability to obtain it within twelve (12) months of being placed in the position; and a valid driver's license.

A detailed job description can be found by [clicking here](#). Applications are available by visiting the [Louisville Water Company](#) website.

This position will remain posted until Sept. 17, 2012.
